

Introducing **OUT OF AFRICA** AFRICAN Natural Stone!

New to WA
Beautiful
NATURAL
STONE

Exclusive to
Australis

Australis Pavestone has searched the world for a new and beautiful authentic stone product which has all the features and aesthetic appeal demanded by the discerning buyer.

This ancient crystalline limestone is quarried from deep within the African earth, then cut and machined into high quality paving products. The sedimentary formation of the stone offers a variety of colours, patterns, durability and stylish elegance.

- 600mm x 400mm
- Hard sedimentary rock
- Natural durability
- Soft & cool underfoot
- Timeless & enduring beauty
- Beautiful colours and finishes
- Easy to maintain
- Hardwearing & versatile
